GLENBROOK READING SPINE

At Glenbrook, reading is at the centre of everything we do. We want to ensure our classrooms and curriculum are text rich. The reading spine has two types of books

- Curriculum linked texts
- Reading for pleasure texts

The spine has been selected so that there are some books all children are exposed to and in earlier years some books that children will know inside out. The books selected have been informed by the following lists/ blogs

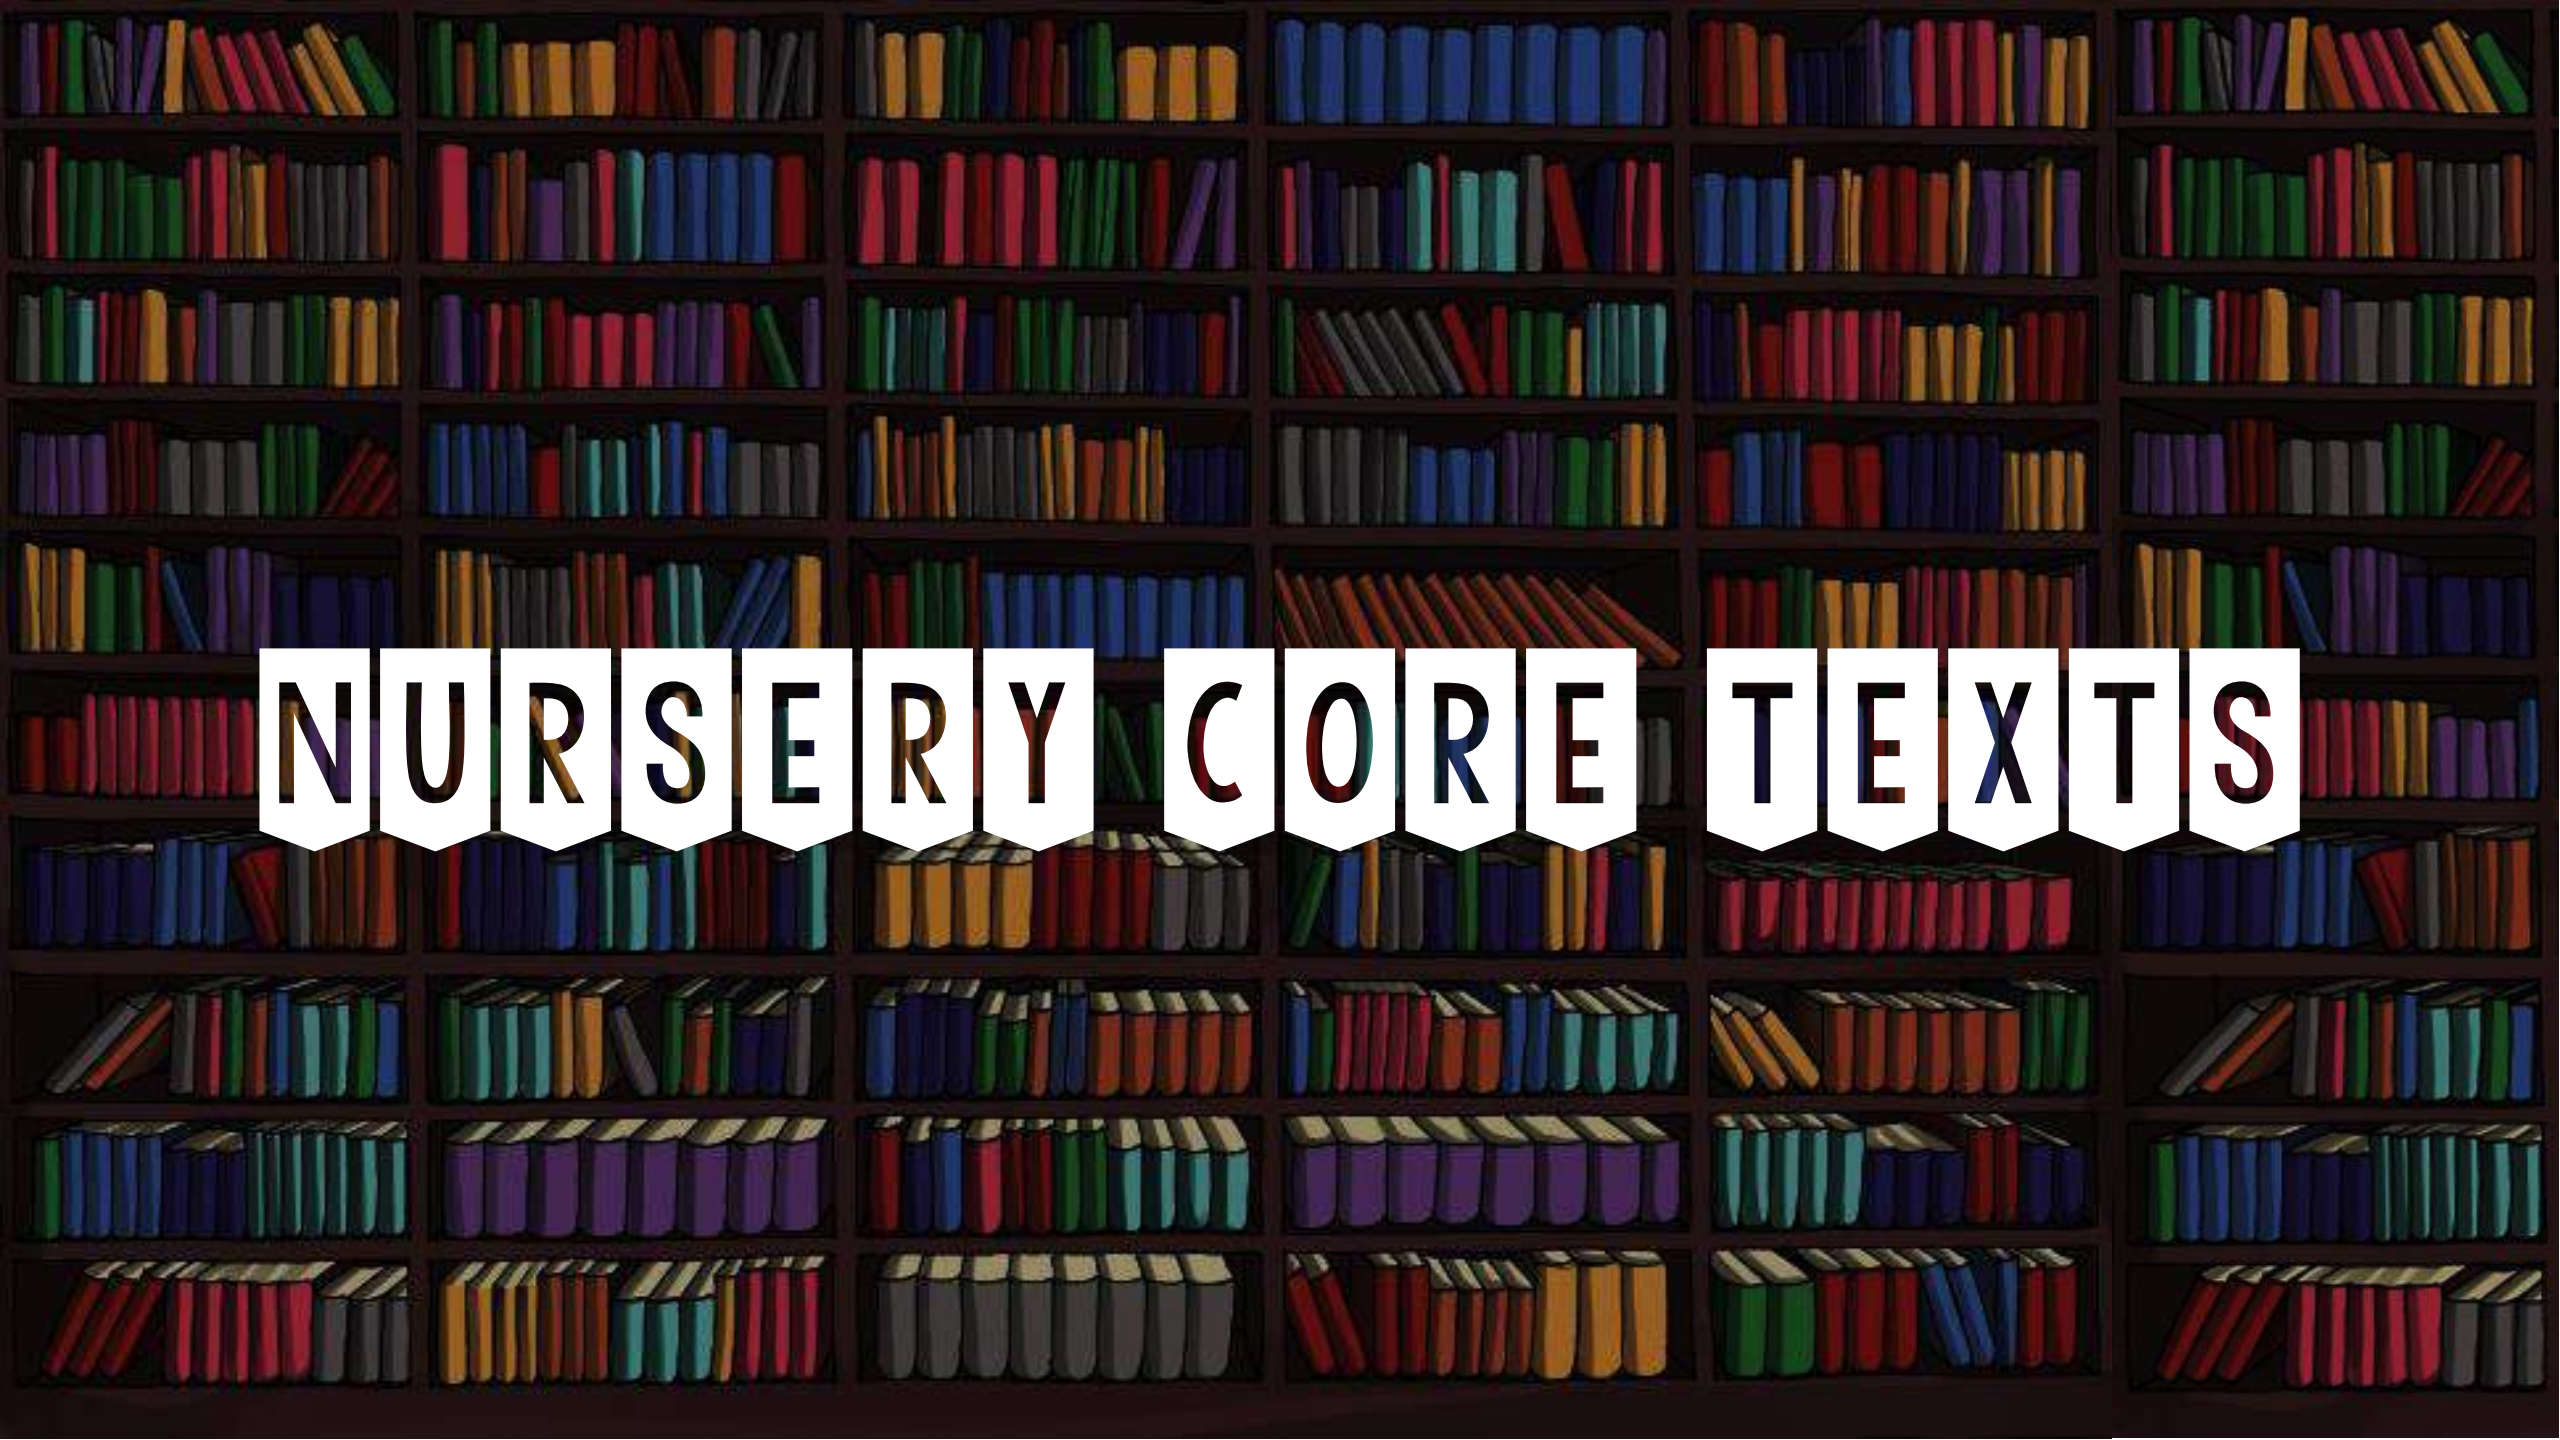

- Pie Corbett Reading Spine
- Ashley Booth 100 texts
- Simon Smith Picture Books
- Book Trust Recommendations
- Book Trust new books for 2021 Recommendations
- 5 Plagues of a Developing Reader Spine
- Pie Corbett Poetry Spine
